Swami Bodhananda Saraswati

is highly respected in America and India as an accomplished teacher of Vedanta and meditation. Presently, Swami Bodhananda is the Spiritual Founder and Director of 11 organizations and ashrams under the umbrella of the Sambodh Foundation, New Delhi, India (1991); the Bodhananda Research Foundation for Management & Leadership Studies, Trivandrum, India (1994); &

The Sambodh Society, Inc. (1997), United States of America. Each ashram and/or organization is unique, tailored to the needs, interests and special capabilities of his devotees engaged therein. Through these organizations, and under Swamiji's guidance, his devotees receive scriptural knowledge, spiritual training and perform social service. In America, Swamiji has given numerous public forums, lectures and meditation sessions in Hindu temples, Christian churches, libraries, homes, business centres and universities. His theme has been to infuse modern society with spiritual values and the individual with the knowledge of his/her spiritual identity. For serious-minded students of Vedanta, he has offered more extensive programs, weeklong seminars and annual retreats on specific Upanishads and the Bhagavad Gita. As a keen observer of humanity, Swamiji is quick to absorb cultural nuances and the idiomatic expressions of a region, and his presentations are replete with these observations, language usages and insights. As an avid reader, Swamiji keeps abreast of all that is current and is eager to engage the modern global person. As a master of meditation, Swamiji adeptly blends his personal experience and knowledge of India's ancient wisdom tradition with modern studies in consciousness and psychology.
